*Thomas sat down and looked at the sea. He remained motionless for time, as if he had some there to follow the movements of the other swimmers. Then, a powerful wave reached him, he went down onto the sloping sand and slipped among the currents. The sea was calm, and Thomas was in the habit of swimming for long periods without tiring...*

Lives and works in Venice, CA.

### Greg Colson

Greg Colson is an American artist whose work is marked by a jarringly direct commingling of material and conceptual elements. In his constructions, precisely rendered systems are disrupted and contradicted by the contexts they are placed in. By drawing out the poetry and humor in our social patterns, Colson seems to suggest there are limits to – and hazards inherent in – our obsession with efficiency, data, and analysis of every kind. Art critic and poet John Yau described Colson's work in a recent article in *HYPERALLERGIC* Colson "has brought together a penchant for exactness with a sensitivity to detritus and waste. By being meticulous in his interaction with abandoned things, Colson infuses the act of care and attention with pathos." Colson grew up in Bakersfield, California and lives and works in Los Angeles.

Colson's art has been the subject of over 40 solo exhibitions internationally, including Sperone Westwater (New York, USA), Craig Krull Gallery (Los Angeles, USA), Konrad Fischer Gallery (Dusseldorf, Germany), Cardi Gallery (Milan, Italy), Sprovieri (London, England), Thomas Park Gallery (Seoul, Korea), Baldwin Gallery (Aspen, CO., USA), Kunsthalle Lophem (Bruges, Belgium), Krannert Art Museum (Urbana-Champaign, IL., USA), and the Lannan Museum (Lake Worth, FL, USA). His work is in collections throughout the United States and Europe, including the Whitney Museum of American Art (New York), Museum of Modern Art (New York), Museum of Contemporary Art (Los Angeles), Getty Research Institute (Los Angeles), Los Angeles County Museum of Art, The Panza Collection (Varese, Italy), Sammlung Rosenkranz (Berlin, Germany), and Moderna Museet (Stockholm, Sweden).

### 그렉 콜슨

그렉 콜슨은 재료와 개념적 요소를 직접적인 방식으로 혼합하는 작업을 특징으로 하는 미국 예술가이다. 그의 정확하게 렌더링된 작업은 작업이 배치된 맥락과 상치되는 특성을 갖는다. 우리 사회의 관습을 시정과 유머로 그려내는 콜슨은 효율의 추구, 데이터 및 분석에 대한 우리의 집착에 한계와 위험이 내재되어 있다고 제안하는 듯하다. 예술 비평가이자 시인인 존 야우는 Hyperallergic에 실린 최근 평글에서 콜슨은 “버려진 것에 대해 세심하게, 동시에 정확하게 다가가는 경향을 지닌다. 콜슨은 버려진 것을 세심하게 다루어 작업하며, 보살핌과 주의를 기울이는 행위에 일종의 파토스를 불어넣는다.” 캘리포니아 베이커스필드에서 자란 콜슨은 로스앤젤레스에서 거주하며 작업 중이다.

그렉 콜슨의 작품은 Sperone Westwater (뉴욕, 미국), Craig Krull Gallery (로스앤젤레스, 미국), Konrad Fischer Gallery (뒤셀도르프, 독일), Cardi Gallery (이탈리아, 밀라노), Sprovieri (영국, 런던), Thomas Park Gallery(서울, 한국), Baldwin Gallery (애스펜, 미국), Kunsthalle Lophem (브뤼헤, 벨기에), Krannert Art Museum (일리노이 어배너 샴페인, 미국) 및 Lannan Museum (플로리다 레이크워스, 미국) 등에서 전시되었고, Whitney Museum of American Art (뉴욕), Museum of Modern Art (뉴욕), Museum of Contemporary Art (로스앤젤레스), Getty Research Institute (로스앤젤레스), 로스앤젤레스 카운티 미술관, The Panza Collection (바레세, 이탈리아), Sammlung Rosenkranz (베를린, 독일), Moderna Museet (스톡홀름, 스웨덴) 등에 소장되어있다.
